

## Nematrian's educational services

[Nematrian website page: [IntroductionEducation](#), © Nematrian 2015]

Our educational business offers high-quality educational services to universities and to commercial conference organisers. Services we provide include:

- Provision of seminars to practitioners working in the asset management industry on asset allocation, e.g. see [here](#)
- Lecturing support linked to [Malcolm Kemp's](#) lecturing at Imperial Business School
- Provision of an extensive range of supporting material, mainly via pages on this website pages dedicated to providing educational and quantitative [research insights](#), [publications](#) and other material on Enterprise Risk Management and many other topics
